

Section 401 Water Quality Certification Public Notices

The Central Coast Water Board is currently reviewing applications for the following project for certification under Section 401 of the Clean Water Act. We encourage public comments on the proposed work, which will be considered in the decision. You may submit comments in writing on any of these projects to:

Central Coast Regional Water Quality Control Board
895 Aerovista Place, Suite 101
San Luis Obispo, CA 93401
Attention: 401 Coordinator

Project Applicant	Caltrans
Applicant's Agent	Chuck Cesena
Project Name	Culvert Repair Project
Receiving Water	Santa Ynez River
City/County	Santa Barbara/ Santa Barbara
Public Notice	8/17/07 to 9/6/07
Project Description	The purpose of this project is to prevent culvert failure.

The project activities include: to insert a new 48" HDCE pipe into the remaining 54" RCP section; construct the embankment below the failed culvert at a 2:1 slope; and place ungrouted rock slope protection at the toe of the new slope.

Mitigations will include: to stage equipment outside the streambed; clean-up spills shall they began immediately; and revegetate with native plant species.

A Categorical Exemption was approved on August 10, 2007.
